Notes:

1. On January 21, 2020, each of Freemark Apparel Brands Retail BE Inc. ("FAB Retail") and Freemark Apparel Brands Group Inc. (FAB Wholesale) (collectively with FAB Retail, the "Debtors") filed a Notice of Intention to Make a Proposal (the "NOI") pursuant to the provisions of the *Bankruptcy and Insolvency Act* ("BIA"). Richter Inc. (formerly Richter Advisory Group Inc.) ("Richter" or "Trustee") was appointed Trustee thereunder. To facilitate the administration of the NOIs, and due to the integrated nature of operations of the Debtors, the Court, on January 31, 2020 authorized the joint administration.

Subsequent to the filing of the NOIs, the Debtors closed their retail operations entirely and, further to a sale process, sold their wholesale operations, certain inventory and intellectual property to Freemark Apparel Brands International Inc. ("FABI") pursuant to a transaction which was approved and authorized by the Court on March 27, 2020.

On July 20, 2020, the Debtors filed a Holding Proposal designed to provide the Debtors sufficient time to determine if a viable proposal could be filed. At the Creditor's Meeting held on August 11, 2020, the creditors voted in favour of a resolution to adjourn the Creditor's Meeting for a period of up to six (6) months during which time the Debtors intended to complete their discussions with the Director and Officer's insurers and look for other sources of funding in order to file and Amended Proposal to be voted on by the Creditor's.

The Debtor's discussions with the Director and Officer's insurers did not lead to an agreement on the funding of a viable proposal. However, on February 10, 2021, the Debtors filed the Joint Amended Proposal with the Official Receiver in which FABI offered to inject an aggregate amount of \$400K (the "Distribution Pool") for the purpose of distribution to the unsecured creditors of both FAB Retail and FAB Wholesale. At the meeting of creditors held on March 2, 2021, to vote on the Amended Proposal, the creditors voted in favour of the Joint Amended Proposal by a majority of 92.2% in number representing 97.7% of the value of all voted unsecured claims. The Joint Amended Proposal was not made in respect of the security of the Secured Creditors, which were paid in accordance with arrangements existing between the Debtors and the holders of Secured Claims.

All Proposal Expenses, including the Trustee's fees and disbursements, were paid by the Debtors and not out of the Distribution Pool.

2. The Trustee's fees were allocated equally to each of FAB Retail and FAB Wholesale.
