Notice of Wage Earner Protection Program Act

ATTAbotics Inc. (the “**Company**”) filed an Assignment in Bankruptcy on October 15, 2025, and the undersigned, Richter Inc., was appointed as Licensed Insolvency Trustee (“**Trustee**”) of the Company’s Bankruptcy estate by the Official Receiver. In accordance with paragraph 21(c) of the *Wage Earner Protection Program Act* (Canada) (the “**WEPP**”), legislation establishing a program that may compensate individuals in respect of wages and/or other eligible amounts owed to them by an employer who has filed a Bankruptcy, the Trustee hereby gives notice of the existence of such program.

The Trustee further advises that, in order to qualify for compensation pursuant to the WEPP, you are required to file a proof of claim with the Trustee for any wages (or other eligible amounts) owed to you as at the date your employment with the Company was terminated.

Filing a Claim:

Step 1 – Trustee Submits Proof of Claim to Service Canada: The Trustee understands that certain amounts owed to you have not been paid. As such, the Trustee HAS FILED A PROOF OF CLAIM ON YOUR BEHALF, with respect to any amounts owed to you in respect of wages, vacation, termination and severance pay, if applicable, based on the books and records of the Company, and the provisions of the relevant provincial *Employment Standards Act*. If you do not agree with the claim amount, as filed on your behalf (see attached documents provided to Service Canada in support of your WEPP Claim), a blank proof of claim is available on our website at: <https://www.richter.ca/insolvencycase/attabotics-inc/>

Enclosed herewith, please find a copy of the documents provided by the Trustee to Service Canada, in accordance with the WEPP, in respect of your claim.

Upon submission of your application to Service Canada, your eligibility for compensation under the WEPP will be determined by the Minister, in accordance with the legislation. If you have any questions pertaining to the WEPP or the filing of a WEPP claim, please contact Service Canada:
